HOWEVER, DURING THE 5 DAYS WHERE THE MOON IS HIDDEN AS A NEW MOON,
THE FLOATING ISLAND'S MOVEMENT IS STALLED, CAUSING THE BARRIER TO DISAPPEAR.

DURING THAT TIME, THE ONES THAT PROTECT THE WORLD IN ITS PLACE ARE THE HOLDERS OF MAGIC.

THAT'S RIGHT.

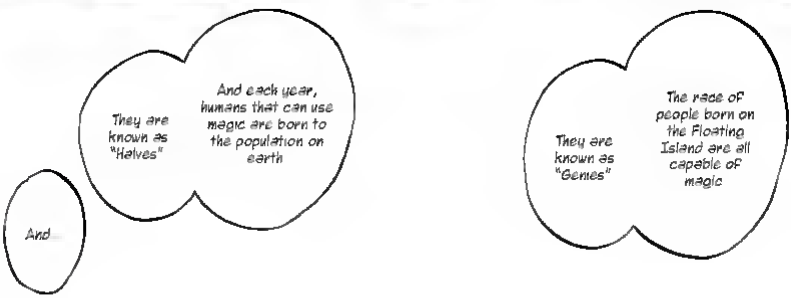
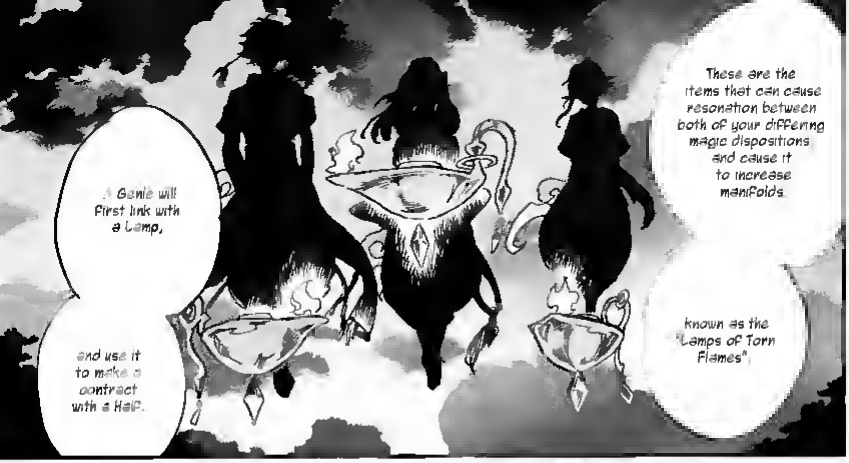
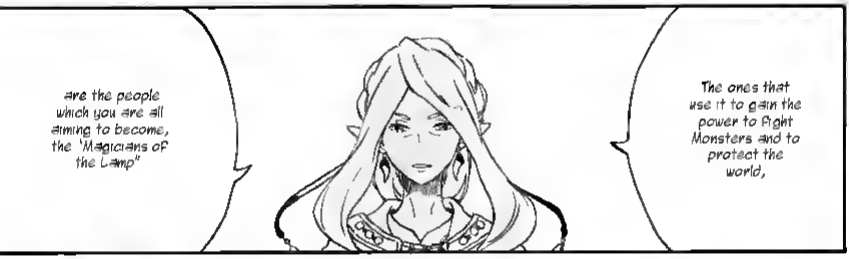
The time has come, huh



They are known as "Halves"
And each year, humans that can use magic are born to the population on earth
And...
They are known as "Genes"
The race of people born on the Floating Island are all capable of magic



A Genie will first link with a Lamp,
and use it to make a contract with a Half.
These are the items that can cause resonation between both of your differing magic dispositions and cause it to increase manifolds
known as the "Lamps of Torn Flames".



are the people which you are all aiming to become, the 'Magicians of the Lamp"
The ones that use it to gain the power to Fight Monsters and to protect the world,

The test will occur over a span of 3 days On the last day is a battle with a Fake Monster
If you defeat it as a pair, the contract will become an actual one
Well then, please join hands and use teleportation magic to reach your respective islands For the examination

I'M OBVIOUSLY GONNA TRAIN WITH YOU! WHY ELSE DID YOU THINK I CAME HERE?
I GOT IT, ALRIGHT!?
STOP IT!
.....
...
WE HAVE TO COMBINE
OUR FLAMES.

I CAN'T EVEN GRASP THIS MAGIC POWER.
I CAN'T DO IT
That's the thing
pant
pant
I can't even focus on where I want the Flames to gather and wind starts blowing under my feet.
I end up getting blown away
tremble
tremble
BOOF!
BAM!
LET'S TRY AGAIN!
UOOOOOOOOOOH!
boof!
It's not working
We need to mix both of our Flames and create a pearl-grey coloured Flame
The most powerful attack against Monsters, the Flame magic of the Lamp
Seriously, even if we can't destroy Monsters' pearls without that Flame,
but this is still the classic spell of a Magician of the Lamp!

BOOM!
HM!

You know, you
I'm sorry
I'm
fade
part
part
Sometimes your magic power would waver and weaken, as though you've remembered something
Do you know why?
But I'm not sure if I should become one after all.
Yeah?
a Magician.
I came here... so that I can become
crack!

"I was born with magic powers,"
that's all.
What are you saying...?
Did getting entirely that powerful magic break you out?
.....
The reason
why I thought I should become a Magician of the Lamp
is because
In fact,
that's my only reason...
But,
Ta - dah!
MY NICKNAME WHEN I WAS YOUNG WAS 'LAMP-CHAN'!
THAT'S ME!!
THE PERSON BEFORE ME WAS PAIRED WITH AN AMAZING GENIE AND IS STILL PROTECTING THE WORLD!
—I'M THE FIRST HALF OF MY VILLAGE IN 30 YEARS!
is that
a reason?

and yet someone like me is aiming to become a protector of the world...
I'm just someone who has nothing besides magic powers,
If I look at it in reverse,
I thought that,
they would be really disappointed...
If the Genie that I'm contracted with is to hear about that
I see, so it's because you don't have a resolve to do this...
But it doesn't matter to me... I don't care about that either way, so just concentrate on your magic
Well, no, I never heard anything about that
I'm sure,
if I had a stronger will to do this,
stunned!
I might have been better able to use the Lamp's magic

I TOLD YOU TO STOP THAT!
What about you, Rau?
Why did you choose to become a Magician of the Lamp?
fwomp!
RAU!
GYAA!
I want to fight
When the Floating Island becomes weak, someone needs to take its place. And if I have the power to do so,
I will do it.

I WANT TO FIGHT.

It's coming
The actual thing
Guh

fwoo.h!
THAT HAS BECOME YOUR HABIT...
HEY, I'VE BEEN THINKING LAST NIGHT.
I BELIEVE THE COMPLICATIONS YOU HAVE WITHIN YOURSELF
IS PUTTING A LIMIT ON YOUR MAGIC POWERS.
THIS IS ONE OF THOSE KINDS WHERE YOU NEED TO AIM FOR ITS WINGS.
YEAH.
I'LL DRAW ITS ATTENTION AWAY.

GRR...!
BAM!
AH.

AH...!

to fly.
Hurry.
Hurry!!!

HEY, I'M SORRY. I GOT EATEN!
YOU'VE GOT TO BE KIDDING ME!
Ra . Rau!
What's happening right now?
I can't get out,
I've put up a defence inside the Monster.
but I can still recite spells
It's never been done before, but it might be possible to split it in half from the inside
I don't mind trying it out

I don't recognise you as my partner anyway
If I do that, you will deeeefinitely fail this test
However,
I don't even know if you have any reason to keep moving on from here,
but the things you've done to get here,
this test,
AND MY VOICE!

IF YOU CHOOSE TO IGNORE AAAALL OF THAT AND REMAIN WHERE YOU ARE...!
Then that's fine with me as well.
I can just pair myself with the next guy that comes along.
And I'm sure you'll be able to find another path for yourself.

But,
I'm not going to do that, Rau

WHAT'S THAT SOUND!?
IT'S MAGIC!
STAY STILL AND COUNT THE MONSTER'S RIBS OR SOMETHING! I'M COMING FOR YOU!
BAM!
!!?

I, TOO, WANT TO FIGHT
BESIDE YOU, RAU!
BO ~ OM!

YOUR HAND, HURRY!
THE TELE-PORTATION MAGIC!
You just really love to butt your head in all the time,
CORZE.

Grip
The ice is going to break apart!
While we still can...
Hey... Oi
BAM!
I see, you froze it up
Ohh...!
As someone with lucid magic,
I am not disappointed by you
You have magic in you,
and a competitive spirit
When it comes to it, you should try to fly with all your might.

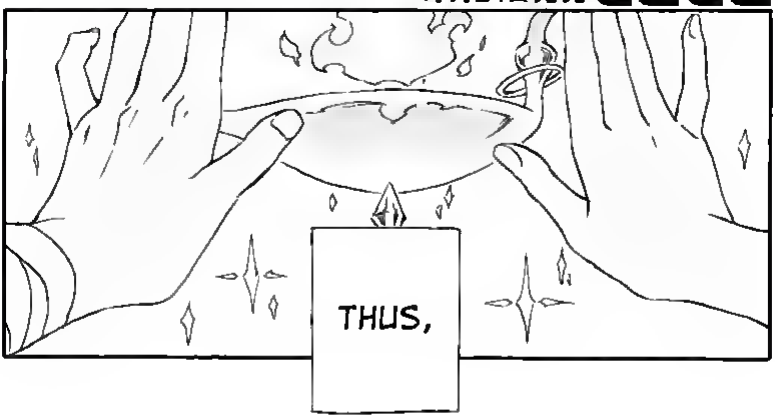
As long as the Lamp is lit,
you'll surely be able to find something besides the Monsters swimming in the sky
C R A C K !
—Sure!

RUMBLE!
Hey!
I will no longer run away from becoming a Magician

I'll use this meeting with you
as the reason for me to become one.
"RAU LAARAN"!!

—Fine by me!
LET US BE BOUND,
"CORZE LETTA"!!!
BREAK!

AND SO THEY ARE BOUND.
THE TORN MAGICIANS OF GREAT POTENTIAL.



THEY SET OFF.

THE STRENGTH THAT BINDS THEIR COURAGE AND THEIR MEETING WILL NEVER BE STALLED...
